Home Care Assistants – South Gloucestershire

Description

Osa Healthcare Recruitment is currently working with our client to recruit passionate and committed carers to provide care to individuals in their own homes.

Job Purpose

To provide care in accordance with best practice and legislative requirements. Delivering care in a person centred way that is unique to each individual and ensuring service users are supported and enabled to remain independent and keep personal interests.

Our right person will:

- Have the desire to make a difference.
- Have the desire to make service users feel safe, valued and nurtured.
- Have an ability to work autonomously with diligence, consistency and enthusiasm.
- Have passion and energy for delivering quality care.
- Be an excellent role model and have the ability to motivate and influence others.

Key Responsibilities:

- Ensure Service Users are at the heart of the care delivery and their wishes and preferences enhance their well-being.
- To contribute to the efficient running of the service
- Support Service Users to maintain their relationships and connections with the local community.
- Ensure care plans and other information about how to support service users are followed.
- Be responsible for informing the Senior Carer/Registered Manager of any changes in the needs of the Service User.
- Be responsible for promoting and safeguarding the welfare of those individuals they support.
- Develop effective working relationships with other employees and the wider team.
- Work in Co – Operation with members of the Multi-Disciplinary team to maximise opportunities for service users.
- Have a knowledge of and work within, the Fundamental standards
- Understand the regulatory framework that governs the service, including the role of the CQC and their requirements.

Key Requirements of a Carer:

Whilst prior experience is not essential as training can be provided, it is important you understand your reason for entering a care profession. Whilst the job can be highly rewarding it can also be demanding both physically and emotionally.
