Mental Health Nurse – Somerset

Description

Osa Healthcare Recruitment are supporting our client to recruit an experienced Nurse from the NHS or private care to join their team as a Mental Health Nurse and change lives for the better.

You will be working at a modern and purpose built 75 bed mental health service, providing both medium and low secure services for men and women with mental health illness.

The unit will be one of NHS England's pilot sites to test new approaches to delivering mental health issues and will be working alongside Devon Partnership NHS Trust, Avon and Wiltshire FT, Cornwall FT, Dorset FT, 2gether FT, and Livewell.

What you will be doing

As a qualified nurse – with experience – you will ensure individuals with complex mental health problems receive high-quality care, while also supporting your colleagues and promote good teamwork.

No two days are the same, with plenty to keep you engaged and motivated, but also a good amount of routine.

There are also career development opportunities, with a huge range of courses that will help you grow and succeed. If you have the aspiration, capability and dedication, we can give you the support and opportunities to help you achieve your career goals.

What you will get

Annual salary of £29,000 – £34,000 depending on experience

The equivalent of 33 days annual leave – plus your birthday off!

Free meals and parking

Wellbeing support and activities

Career development and training

Pension contribution
