Registered Mental Health Nurse – Surrey

Description

Osa Healthcare are supporting our client to recruit experienced RMN's or RNLD's for their Private Mental Health Hospital in Charlwood, Surrey.

You will be working at their Hospital, which is a large purpose-built medium-secure service with good facilities. Working alongside a multidisciplinary team, you will provide care and support for adult men 18+ with a forensic background and enduring mental health illnesses such as personality disorder, substance misuse issues and behaviours that challenge.

As a Staff Nurse you will be working within a team that includes a range of professionals.

You will be central to providing high quality care within a 'medium secure' forensic setting. The patient group consists of Personality Disordered and Enduring Mental Illness.

You will work within an identified career development pathway and be expected to complete appropriate competency development portfolio

In return you will be offered:

- Annual salary of £34,000
- 3K Welcome Bonus
- The equivalent of 33 days annual leave – plus your birthday off!
- Free meals and parking
- Wellbeing support and activities
- Career development and training
- Pension contribution
- Life Assurance
- Enhanced Maternity Package
- Flexible working opportunities
- Plus a range of other benefits
